

# Solidar **Omnilux** NGT

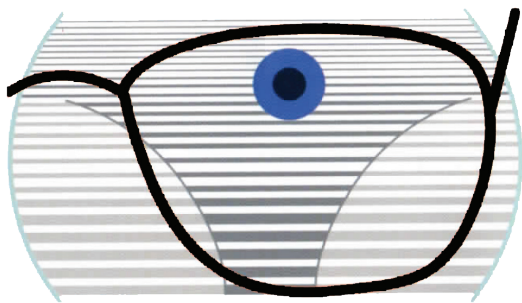

The Natural Accommodation Lens  
Natural comfortable vision for all activities

- No adaptation period allows new glasses to be enjoyed immediately
- Thanks to Solidar NGT lenses, you can perform all your daily lifestyle activities with natural clear vision
- Professional • Leisure • Daily

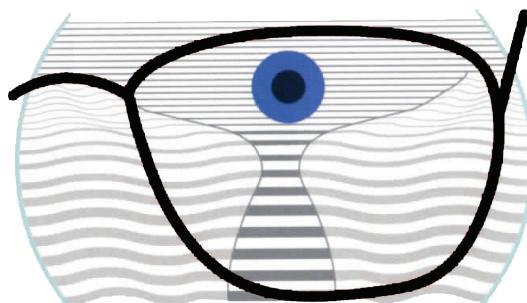

## NATURAL ACCOMMODATION LENS

### Solidar NGT Benefits

- No adaptation period
- No peripheral swim effect
- Provides natural vision in all distances
- No fitting height required
- Meant to be worn all day

## PROGRESSIVE ADDITION LENS

### Progressive Downside

- Requires adaptation period
- You will experience nausea or dizziness due to peripheral waves and distortion
- Navigation through distance, intermediate, and near is cumbersome
- You have to move your head to see objects at different distances
- Fitting height required
